

### **Prof Ian Rockett**

Professor Ian Rockett is in the Department of Epidemiology in the School of Public Health at West Virginia University. He holds an MPH degree from Harvard University, an MA from the University of Western Ontario, and a PhD from Brown University. Professor Rockett is a Fellow of the American College of Epidemiology, a faculty-affiliate of the West Virginia University Injury Control Research

Center and the Suicide Research Group at the Medical University of Vienna, and international senior consultant with the Tobacco Control Research Center in the School of Medicine and Public Health at Zhejiang University, Hangzhou, China. He is a member of the editorial boards of *Suicidology Online* and *BMC Public Health*. Professor Rockett's main research interest lies in the interconnected areas of suicide data validity and substance abuse. Past research included population-based hospital emergency department studies of motor vehicular trauma and unmet substance abuse treatment need, respectively, and international studies on injury mortality and suicide data quality.
