

Prof Dr Jaanus Harro

Jaanus Harro was trained as a medical doctor at the University of Tartu and specialised in psychopharmacology (PhD 1990 in Tartu, DMSci 1993 in Uppsala). Subsequently he held personal professorships in Tartu in neuropsychopharmacology and health promotion, and has since 1998 served as professor of psychophysiology. In 2001

he led the establishment of the Estonian Centre of Behavioural and Health Sciences, a national alliance of research groups in medicine and social sciences focusing on regulation of behaviour. His research is on affective neuroscience and includes psychopharmacological and molecular genetic approaches in animals and humans, and population-based longitudinal studies on neurobiology of personality and health-related behaviour. Dr Harro has authored or co-authored about 180 original articles, reviews and book chapters in broadly distributed international publications. He has served in several committees of CINP and ECNP, and is Associate Editor of *European Neuropsychopharmacology* and an Editorial Board Member of *Acta Neuropsychiatrica*. He is also a member of the WHO Expert Advisory Panel on Drug Dependence. Dr Harro is a Foreign Member of the Royal Society of Sciences at Uppsala.
